

Ashley Composite Technologies do Brasil Representações Ltda.

Ashley Industrial Molding (AIM) has been successful in efforts to obtain approval for Incorporation of a Brazilian Subsidiary. The registered incorporation with the Commercial Registry of the State of São Paulo is a major step in AIM's strategic plan for South America.

"This is an important step in the advancement of our global strategy, which is to have a significant presence in the world's leading and rapidly emerging economies," said Scott Pflughoeft, CEO for Ashley Industrial Molding, Inc. "This approval gives us the ability to continue to serve our customer base in the manner that they have become accustomed to. This Brazilian Company is a great beginning for us in South America, and as we look forward, there is more to come in the near future."

The registered version of the Brazilian Company's Articles of Association will allow the company to operate under the name of Ashley Composite Technologies do Brasil Representações e Participações Ltda.

The Ashley Composite Technologies do Brasil (ACT) Technical and Sales office is located in São Paulo. The contact information for the company is listed below:
